Bloody Nose rouge is the Château Hostens-Picant's second red wine. It is produced by our teams from the Chateau's grapes. This wine benefits from the Chateau's designation of origin and bottling expertise. It's a wine which is both fruity and easy to drink.

Tasting notes:

Its robe is purple red with shiny highlights. Its bouquet of red fruits is explosive from the first moments, then after a few minutes it gives way to spices. In the mouth, it is the synonym of a pleasure wine with a juicy, crunchy attack. Its light tannic structure and its fruity character make it a wine of sharing and celebration par excellence.
